Cathy Bott motions to re instate, John Murphy 2nds, all in favor. Motion passed. The chairs will coordinate with Parks and Recs for space availability.

Sign in sheet sent around, introductions and parting gifts presented to Tim Getz for his work with JRC.

Treasurer Report

Unidentified monies are at \$900.00 and must be claimed or they go to the general fund. Treasurers keep filling the paperwork out correctly please no blanks left, Exec board members will continue to follow up with programs as Cathy cc's us with issues.

Make sure program chairs get updated bad check list for upcoming registrations. We should pursue the ability to accept credit card payments. John Murphy will pursue and have answers for next General Meeting.

President's Report

Hazel was given bogus info regarding the location of the presidents meeting and was not in attendance due to the bogus info.

Paul Yanney whom has been pivotal in Parks and Recs successes has become very ill along with his wife and the spaghetti dinner was a success. A motion had been made at the Exec. Meeting that JRC donate \$250 to the cause.

Parks and Recs Report

Tim has been busy living up to JRC demands and expectations but insists he is fixing everything and needs no help and will be able to come in on time and under budget even if he does get a 5 day furlough. (Very loosely quoted). Update, Update!!! Meghan Hayes will now come in and fix everything now as Tim has to serve as Fixer of All for another program. We will really miss Tim. Meghan sends a calendar around for all to check for school closings and space availabilities. Meghan will also check with JES regarding our storage space. So far Meghan is really shining.

Program Reports

Soccer – 3 weeks left in season then tourney begins. Rich Bott is stepping down and Mike Brokmyer is stepping up.

Basketball – 120 kids right now, had 15 registration dates and things are still kind of slow. Economy is most likely driving factor for low attendance in all programs

Trak – AAU is honoring Coach Charles Wells for his commitment and achievements for the kids at a dinner at Martins East. 2 athletes finished in the top 8 in Nationals. Please meet with board after meeting.

Tae Kwon Do – Had 1 student place 1st in a sparring tourney and 3rd in jujitsu. Pressure point seminar held was success. Cathy Bott finds said pressure point and submits Master Rea for minor infraction of JRC Procedures.

Indoor tennis – Nov 15 starts registration for Sunday classes.

Summer tennis has ended and awards in Nov.

Golden Age – 1st bus trip was nice.

Volley Ball has 18 people and its show up and play mentality, like nice. Gotta buy a new net and ball bro. Like kool.

Tiger Sharks – Out of season. Amy Baker will take over program inn January. Please meet with Exec. After meeting

Sr. Softball – 121 people, seasons are coming to an end.

Badminton has 10 to 12 diehards.

Adult swim - 21 registered and stroking at 2100hrs – 2200hrs

LAX – Getting registrations together. LAX Board needs positions filled and Coaches needed. Age group has changed for Girls Lax to form a 13 -18 age group. We will continue to dispute the structure as it poses serious disparity between 13 year old middle school girls up against an 18 year old adult high school student.

Wrestling – 21 registered 16 returnees. Practice begins Nov 16.

Dance – 14 registered. 3 competitions and working on a travel team.

Cheerleading – Cheer a Palooza was a huge success and raised about \$8,000.

Old Business

John Henkle and Mark Cullip to get info on credit card processing for program. John Murphy will take over

New Business

Danny Jahn questions custodial fees incurred by LAX. To keep peace with custodians and knowing LAX did not incur costs; it was paid out of General Fund.

2 JTowne youth whom have been involved in our BB/SB program were suddenly taken from us in an auto accident and as a General Board we vote to donate \$500, TKD donates \$500, Men's SB donates \$100.

Hazel's son is in Baghdad and found a cool way to help soldiers. Greenbeanscoffee.com
