## Jan 2010 Minutes

Hazel thanked everyone for coming out tonight. Asked that everyone please remember to take all their paperwork out of the box and sign in.

Secretary report : read minutes. Cathy motioned all approved

Treasurer report :\$156,281.99 currently in JRC accounts. For those still having problems get on board. We don't have the time to go back and check if your deposits are made. Please give her the respect she gives you when you need an emergency check. So please check your slips to make sure your program is listed on it and do deposit it and drop slip to the box in a timely manner. Rosters need to be submitted to Cathy as soon as they are done to be matched up with registration forms. We need inventory list for every program for insurance reasons if you have no inventory please let us know.

Unidentified checks keep growing. These are deposits made with no program on them. If not claimed it goes to our general funds and programs will loose that money if not on slips we don't know who deposited it for what program. For ex. Oct.30th \$150.00 sitting in unidentified all it said was registration? Please start checking your paperwork. Hazel stated that as a board we get frustrated when things don't match up.

Staff report : Meaghan is putting the flier together for spring please read over tonight and make any changes needed to it. Would like to get it out ASAP.

Annual volunteer dinner is to be held June 11<sup>th</sup> 2010.please submit names to her of volunteers in your program who have 10 or more years of service and how many tickets your program would like to purchase. We will have use of storage at Joppatowne elem. As of Feb 1 ,2010. CMW budget meeting is Tuesday if anyone can make it. Need support there so budget doesn't get cut. Harford Votech is starting a project to help build storage facilities, do agriculture work, graphic designs if any program is interested in taking advantage of this let us know so we can try to get it done. Lots of areas will be looking to do this and not sure how much time the school is giving.

him a speedy recovery.
